**WORK ACTION – SHERIFF'S DEPARTMENT**

The Sheriff's Department reported that there were no work actions reported within the past 24 hours. There are rumors that next week, following the Columbus Day holiday, the Department will experience the most significant work action to date. The Department is strategizing and developing contingency plans to deal with work actions of this magnitude. In addition, the Department's Operations Center will be re-activated at 1800 hours on Monday, October 13, 2003, to manage any work actions.

We will continue to keep your Board apprised of further work action activity.
